## ***Educator Day on the Hill***

*Legislators often say,  
“I know what UEA thinks,  
but I want to hear from a real teacher.”*

*Take this opportunity to introduce  
yourself to a Utah lawmaker!*

Meet and share information and concerns with your legislators and gain knowledge of the legislative/political process:

- Meet at 7 a.m. on Capitol Hill in the Copper Room, located in the Senate Building near the Cafeteria (350 N. State Street).
- The UEA Legislative Team will brief attendees on education bills and the public education budget.
- Attend a committee meeting or watch floor debates to see policymaking in action.
- The Team will assist you in contacting your legislators from your legislative districts.
- Educator Day on the Hill attendees reconvene at noon in the Copper Room to “de-brief” the morning’s activities. Lunch will be provided.
- For additional information, including maps, visit [myUEA.org/EducatorDay](http://myUEA.org/EducatorDay)
