How is RJ Different

Punitive Approach

- A School Rule is Broken
- Justice is focused on establishing guilt (WHO?)
- Accountability = Punishment
- Justice focused on offender & victim is ignored
- Rules and intent outweigh whether outcomes is positive/negative

Restorative Approach

- People and relationships are harmed
- Justice identifies needs and responsibilities of all impacted
- Accountability = understanding impact & repairing the harm
- Victim, offender, and school community have a role in justice
- Offender responsible for behavior and repairing the harm, working toward positive outcomes
