Together, 18,000 public educators drive positive change through the Utah Education Association. Public educators shape UEA's direction. Members lead and voices matter.

## 2025 UEA Legislative Priorities

- Preserve the freedom of public employees to participate in labor unions
- Prevent additional funding for unaccountable private religious school vouchers
- Provide a 3% increase on the Weighted Pupil Unit above the statutorily required inflation adjustment
- Increase resources for school safety and student well-being, including physical facilities, school psychologists, social workers, and counselors
- Recognize educators as trusted professionals capable of developing instructional materials in alignment with Utah core standards and local district policies
