

2025 UEA Excellence in Education Awards

NOMINATION FORM

The **UEA Excellence in Education Awards**, formerly the **Excellence in Teaching Awards**, have been presented each year to 10 Utah public school educators since 2000. The efforts of these educators in the classroom have significantly impacted the life of an individual child or group of students. 10 peer nominated Utah educators will again be honored at the **UEA Banterra Bank Superstars in Education Awards Banquet**, September 2025. Nominations may also be submitted online at MyUEA.org/Awards.

Eligibility: Nominations are accepted for licensed educators currently working in a Utah public school.

Requirements: Those nominating must use an official nomination form, on reverse, or submit online at myUEA.org/Awards.

Selection: A panel comprised of past winners, event sponsors, and UEA staff carefully review nominations and collaboratively make their selection using a standardized rubric.

Deadline: Nominations must be submitted or postmarked by **May 21, 2025**. Nominations received after this date will not be considered.

We encourage, support, and celebrate the nominations of Black, Latin-/o/a/e/x, Asian American, Indigenous, and Pacific Islander educators; as well as LGBTQIA+ educators, veterans, people living with disabilities, and other educators with lived experience being part of marginalized communities.
