

BRANDON ENGLES

FOR NEA
STATE DIRECTOR

My name is Brandon Engles. I am a 6th grade teacher from Alpine District. I have taught for 18 years. I am asking for your vote for NEA State Director representing Utah. My number one priority has always been and continues to be listening to members' voices. It's vital that educators and staff feel heard as decisions are made. I will make sure that Utah's voice is heard on the national level of our association. I already have relationships with some of Utah's congressional delegation and will commit to work with all of them to understand and vote for educational friendly bills.
