Educator Day on the Hill

*Legislators often say,
“I know what UEA thinks,
but I want to hear from a real educator.”*

*Take this opportunity to speak with
YOUR legislators!*

Meet and share information with your legislators and gain knowledge of the legislative process:

- Meet at 7 a.m. on Capitol Hill in the Aspen Room, located in the Senate Building (350 N. State Street).
- The UEA Legislative Team will brief attendees on education bills, the education budget and the legislative process.
- Attend a committee meeting and watch floor debates to see policymaking in action.
- The Team will assist you in contacting your legislators from your legislative districts.
- Educator Day on the Hill attendees reconvene at noon in the Aspen Room to debrief the morning activities. Lunch is provided for those who pre-register.
