

POSTMA For NEA Director

As the president of the Grand Education Association:

- I have increased both membership and salaries.
- I've had to sit down with members and tell them the hard truth.
- I've had sit down with administrators and let them know what is acceptable and what is not.
- I've organized work actions both with my school board and against my school board.
- I know how to be strong in hard situations.

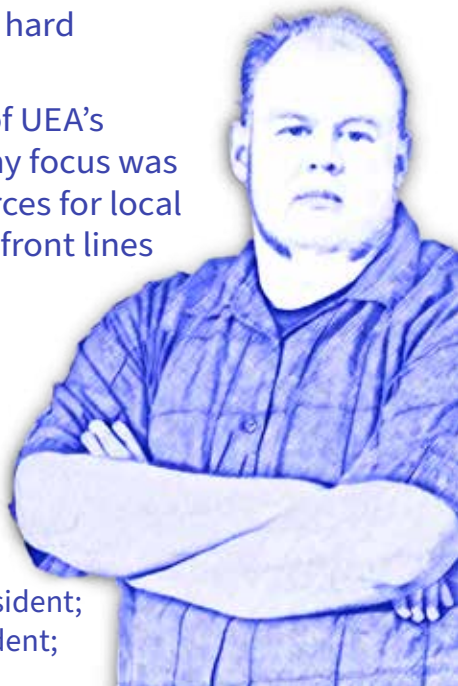

During my time as president of UEA's Council of Local Presidents, my focus was supporting and finding resources for local leaders, because they are the front lines in our organization.

As your NEA Director, I will to fight to get local leaders the resources need.

As you NEA director I will fight for educators.

Leadership Positions:

Grand Education Association, President;
Council of Local Presidents, President;
UEA PAC, Member; and more
